About LCC

London Cycling Campaign (LCC) is a charity with more than 20,000 supporters, of whom more than 12,000 are fully paid-up members. We speak up on behalf of everyone who cycles or wants to cycle in Greater London; and we speak up for a greener, healthier, happier and better-connected capital.

Our local campaigning group in Hounslow is Hounslow Cycling.

Response

London Cycling Campaign strongly supports the Cycleway 9 scheme on Chiswick High Road being made permanent. We are also in agreement with the response by our local group, Hounslow Cycling, which goes into more detail.

- Address rat running on Dukes Avenue that would eliminate the need for the cycle specific signals.
- Add additional signage and wayfinding.
- Improve connectivity by expanding the cycleway to Heathrow and through Kensington.
- Further to the specific issues in Hounslow our local group highlights, we urge the council and TfL and Hammersmith & Fulham Council and Kensington & Chelsea Council to work together to extend the scheme at both ends – towards Heathrow and to connect to Hyde Park – and to monitor and solve any issues remaining with the scheme, most notably thus far around side roads used as through routes to the A4, for instance Weltje Road.
